1. A special group is to be formed for service along the Yugoslav frontier; the group will be under Soviet leadership. Certain languages are required. There is no information on this point except that individuals who speak Russian or Serbian are marked in red on the lists.
2. There is to be an Army inspection during March. Reserve lists are being looked over in most of Bulgaria. For some reason this is not being done in the larger cities.
3. Changes among the higher Bulgarian Army commanders are expected shortly.
